ECO PLANT

Great little mover

Featuring a reinforced deck with beavertail, raised sides and spring assisted punched steel ramps as standard, the **Eco Plant** provides effortless loading and towing for compact plant machinery from mini-diggers to dumpers, shredders to scissor-lifts.

Strong and versatile, the **Eco Plant** delivers exceptional quality and value.

● Heavy capacity

Eco Plant has a high capacity in a small package, making it suitable for carrying small but heavy equipment such as access machines.

● Heavy duty jockey wheel

Features anti-vibration latch.

○ Machine stop bar

Designed to provide a reliable stop for digger and plant machinery. Use in combination with tie-down restraint straps.

- **Low Loading angle**
The **Eco Plant** features a low-angle beavertail design that enables easy loading and unloading of machinery.

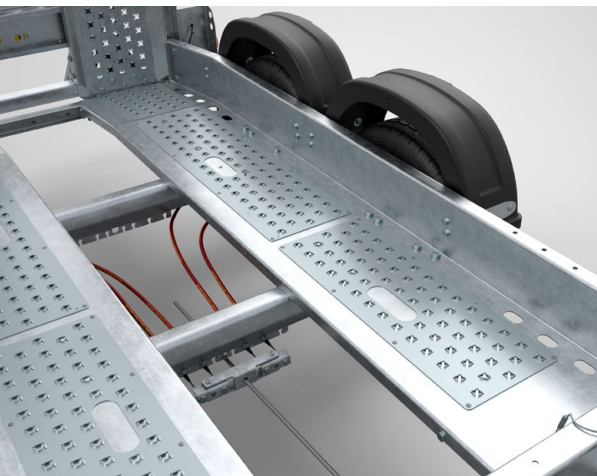

- **Bucket rest support**
for extra convenience and ease of use when transporting digger machinery.

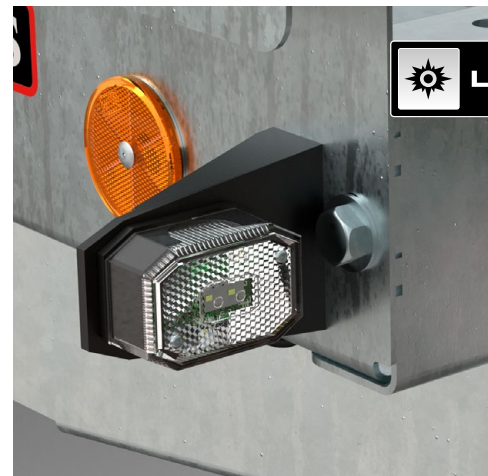

5 5 YEAR EXTENDED WARRANTY

- **5 year extended chassis warranty**
All of our trailers come with a standard 1 year non-transferable manufacturer's warranty covering the integrity of the chassis, which can be extended to 5 years at no additional charge upon registration.

This 5 year extended warranty applies to the chassis only. All other components are subject to a standard 1 year warranty, subject to fair wear and tear.

- **'Super-Grip' deck pads**
Fit on runways to improve grip when loading (x4).

- **LED lighting**
Super-bright and extremely durable.

SPECIFICATIONS & EQUIPMENT
